

Volunteer Youth Worker

An exciting opportunity for someone who has previously supported young people in some capacity to join Youthscape's Luton team

Youthscape

About Youthscape

Back in 1993, Youthscape started life as the Luton Churches Education Trust - a charity started and funded by the churches in Luton, working together to serve teenagers across the town. Since then we have grown into a national hub for youth work resources, events and training, whilst continuing to serve young people here at home.

Youthscape Luton supports young people with their social, emotional and spiritual development through a variety of youth work programmes in schools, our building in Luton Town Centre, and churches. We support thousands of young people a year, and our incredible volunteer team plays a key role in enabling us to offer the provision that we do.

About the Role

We are looking for Volunteer Youth Workers to help support some of the youth work programmes we run in our building in Luton Town Centre - Bute Mills. We run two main after school programmes called Bute Mills Drop-in and Bute Mills Youth Group, both of which are informal, open access youth work programmes where we provide long-term, impactful support to young people from Years 7-13.

Bute Mills Drop-in runs every Tuesday, Wednesday and Thursday during term time from 3.30pm-6.00pm for those in Years 9-13.

Bute Mills Youth Group runs every Monday during term time from 4.00pm-6.00pm for those in Years 7-8.

Both of these programmes are designed to be a place where young people feel at **home**, where they are a part of **family**, where they are **safe**, and where they can have **fun**.

As Youthscape is a faith-based youth work charity and this plays a foundational role in our work with young people, it is our policy that all volunteers are practising Christians and attend church regularly.
