YOU NEED
TO KNOW ABOUT
DIGITAL DROP IN

Youthscape

DIGITAL DROP-IN

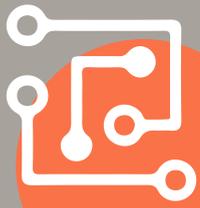

Monday	Y7 - Y9
Wednesday	Y9 - Y11
Thursday	Y10 - Y13

4PM - 5PM

NEW PLACE, SAME RULES

We want you to have loads of fun during our digital drop-in session, but to do that we need to make sure that everyone is following the same rules. Just like we do at regular drop-in, we will expect you to treat others and yourself with respect. We know that you are able to behave responsibly and follow instructions, so we will expect this of you at every session. We want to make this a safe place where everyone feels welcome. This means there will be no swearing or unkind language at any time during these drop in sessions. If we felt that these rules have been broken and a line has been crossed, we will give you a warning. If this happens again we will ask you to leave the digital drop-in for the remainder of the session. If we do this, it's not because you aren't welcome, (you are always welcome at Youthscape), it's just that the behaviour we have seen isn't. However, just like before, we would love to welcome you back next time, and our door is always open (except during COVID-19... but you know what we mean). Our digital drop-in has always been a home-from-home, and a place of love, care and safety, and we want this to continue now that drop-in has become digital. We want you to enjoy yourselves, so the most important rules are these: be yourself, have fun, and know that we are always so pleased to see you!

USING ZOOM

We will be using an online video calling service called Zoom. You will not need to make an account, instead, at the start of each session your mentor will email you a link to the mentoring online video call. You do NOT need to make your own zoom account.

IT'S CONFIDENTIAL

Everything you share during the digital drop-in sessions will be confidential, this means we promise to keep what you share private, but not secret. We will always have at least two safe adults in the digital drop-in at all times. If we felt you, or someone else, was at risk based on what you share, we would need to pass this information on. We would only do this on a 'need to know' basis. If this ever were the case, we would always aim to tell you before passing the information along, and would bring you into this process as much as possible.

WANT TO CHAT TO ONE OF THE TEAM?

If you want to talk about some specific things that are going on in your life, then why don't you sign up for 'digital mentoring' by visiting www.youthscape.co.uk/digitalmentoring Once you've signed up, we will be in touch, and arrange for you to meet one to one with a member of the Youthscape team for 20 minutes once or twice a week.

HAVE ANY CONCERNS?

If you have any concerns about something that you have heard or seen during Youthscape's digital drop-in, you can get in touch with our safeguarding lead Chris Curtis, by visiting www.youthscape.co.uk/digitaldropin and clicking 'get in touch with our safeguarding lead'.
