# YOU CAN HELP YOUTHSCAPE

**Subsidises for a one-to-one mentoring session with a young person in a Luton school.** They get help on the issue they face - like self-harm, family crisis or bullying - and they often start to connect with us and visit Bute Mills.

If you don't know any of these details, leave it blank and we'll call you to complete the form

**Pays for a young person in our self-harm support programme** - up to 1 in 5 young people harm as a way of dealing with overwhelming issues in their lives. We work with hundreds every year to help them find better ways to cope.

**The best way is to set up a standing order.** It's quick and easy - just fill in this form. We'll get in touch with your bank to get everything in motion. We won't share your personal information with anyone else.
